## **RE: Relationships, sex and health education (RSE) consultation**

Dear parents/carers

I am writing to invite you to share your thoughts and opinions with us regarding the proposed changes in our PSHE curriculum and Relationships, Sex and Health Policy.

At Brockhampton Primary School, we value your opinions and input regarding the education of your children and would like to ensure you are consulted in any policy change regarding this part of the curriculum. Parents should have every opportunity to understand the purpose and content of relationships education and RSE, and we would like to develop a cooperative relationship with you.

The school website has a section containing all the documents that are relevant for this process. These can be found under the PARENTS tab in the Relationships, Sex and Health Education Consultation section. It is important that you view all of the following:

- Presentations – these will inform you of the Department for Education guidance and how we propose to adapt this for our school
- Policy
- PSHE Curriculum – this will give you an overview of what we propose to teach in each year group
- Link to Department for Education guidance document
- Letter – a copy of this letter

Any hard copies of the above are available by request from the school office. This is an important opportunity to discuss how RSE contributes to wider support in terms of pupil wellbeing and keeping children safe, and to recognise that a range of approaches may be needed.

We would like to invite you to share any concerns or thoughts regarding this proposed change in policy. Please email any comments or questions to me on [head@brockhampton.hereford.sch.uk](mailto:head@brockhampton.hereford.sch.uk) or call me on 01885 483238.

Thank you for taking the time to read this letter, I look forward to hearing your input.

Yours sincerely,

Matthew Mander
