1st March 2024

Dear Parents/Carers,

Your children's Maths and English booklets have now arrived. Today, your child will have brought home the first of these booklets. As previously mentioned, they are designed to support the revision of key objectives taught across Key Stage 2 and provide time to embed their learning at home. Over the years, we have used these books, in class, and at home, in preparation for transition into Year 7 and the expectation that schools have in regards to homework. The books will not be sent home all at once, but as and when needed.

Your child will have six booklets altogether, most of the booklets will need to be brought into school on a Wednesday. They will then be sent back home on a Thursday.

The only booklet **not** required to be brought back into school is your child's spelling booklet, homework will not be set from this booklet. They will be sent as an additional revision for children to work through their spelling rules.

To ensure that you, as parents, know which booklets your child should have at home and the pages they are expected to complete in that cycle, *I will send a letter and a text every Thursday with this information.* Again, this homework will be expected to be returned by the following Wednesday. Any homework which has not been completed, or should your child need extra support, this can be completed in SATS club.

This week you child will have brought home their Arithmetic, Number, Ratio and Algebra and Grammar booklets. The table below outlines the pages they should complete to be handed in on Wednesday 6th March.

Arithmetic	Page 8 – Multiplying by 10,100 and 1000 Page 9 – Dividing by 10, 100 and 1000
Number, Ratio and Algebra	Pages 2-4 Ordering Numbers and Rounding
Grammar	Page 2 – nouns Page 3 – Singular and Plural nouns Page 38 – Subject and Object Page 39 – Active and Passive Voice

If you have any queries, please do not hesitate to contact me at cthornley@brockhampton.hereford.sch.uk

Best Wishes,
Miss Thornley
